Sir I must request of you  
to withdraw my name from  
your list of voters as it is  
my intention not to join in any  
party proceedings. In my time  
I have served under thirteen  
governments, of different parties  
and have given my service  
to neutral measures, acceptable  
to them and it is my intention now  
to continue in that course.

Your obedient servant

Edwin Chadwick.
