

***Journal of the National Institute of Public  
Health  
Instructions to Authors***

The Instructions to Authors for Journal of the National Institute of Public Health was revised on July 25, 2024.

With this revision, Journal of the National Institute of Public Health has become a fully open access journal and is licensed under the CC BY 4.0 license. \*

\* This applies to all papers submitted after July 25, 2024 onward. The copyright for all other papers remains with the National Institute of Public Health.

To submit your manuscript, the corresponding author should submit it through the Journal of the National Institute of Public Health submission and peer review system (<https://sadoku.niph.go.jp/>).

Please see the submission guidelines at the link below.
