

TABLE SIXTH,

SHOWING THE NUMBER OF PROCLAMATIONS OF MARRIAGES, AS ENGROSSED IN THE REGISTERS OF THE CITY AND SUBURBS;

DISTINGUISHING

1ST, THOSE CASES IN WHICH BOTH PARTIES RESIDED IN THE SAME PARISH;

2D, THOSE IN WHICH THE PARTIES RESIDED IN DIFFERENT PARISHES; AND

3D, THOSE IN WHICH THE WARRANTS WERE NOT CALLED FOR.

MONTHS, 1842	1st.	Irregular Marriages.	2d.										Total Males.	Total Females.	Total Individuals.	3d. Warrants not called for, and where no Regular Marriage could take place.
	Both parties residing in the same parish.		The Males and the Females only who resided in the Parish of Glasgow.		The Males and the Females only who resided in the Parish of Barony.		The Males and the Females only who resided in the Parish of Gorbals.		Total Males and Females of the double proclamations where only one Marriage could take place.							
			Males.	Fem.	Males.	Fem.	Males.	Fem.	Males.	Fem.

Totals .	1771	...	82	51	81	71	39	42	205	167	1976	1938	3914	31		
Warrants not called for	31	...	...	...	...	...	...	...	...	...	31	31	62			
Totals of Marriages in which one of the parties or both resided in Glasgow and Suburbs.	1740	...	82	51	81	71	39	42	205	167	1945	1907	3852			
372																
Add Total Individuals proclaimed in two different parishes 372																
Do. do. proclaimed but not Married 62																
Divided by 2 { 1286																
Total amount of proclamations of Marriages in 1842 2143																
Do. do. do. in 1841 2057																
Do. Decrease of proclamations of Marriages in 1842 514																

By deducting those cases where the warrants were not called for on the part of the Male residents, and, consequently, where there could be no Regular Marriage, and also the Females proclaimed in two parishes, where only one Marriage could take place, we have the total number of Regular Marriages in the City and Suburban Districts in 1842.

Total Proclamations for Marriages, as engrossed in the Parochial Registers 2143
 Warrants of Male residents not called for . . . 31
 Females proclaimed in two parishes, where only one Marriage could take place 167
 — 198

Total Regular* Marriages of parties resident in the City and Suburbs in 1842 1945

The above Table further shows, that in the Parish of Glasgow there were Married, in 1842, 28 more Males than Females; in Barony, 13 more Males than Females; and in Gorbals, 3 more Females than Males; in the three Districts collectively, 38 more Males than Females.

* There are no Irregular Marriages recorded for 1842, either by the Session Clerks or by the J. P. Procurator Fiscal.

MONTHLY TABLES OF MORTALITY

FOR

1841 & 1842.

TABLE THIRTY-NINTH.

Glasgow, during the years 1837, 1838, 1839, 1840, and 1841, classified according to Eighteen Periods of Life at which they took place; with Calculations showing the Total Average Annual number of Deaths, the several Diseases, bear to the Total Average Annual number of Deaths, and also to the Mean Population of these years; together with the Proportion of Deaths to the Living at the different Ages.

Mean Population of these Five Years, 264,010

AGES.																										TOTAL.				Grand Total Deaths these Five Years.	Average Annual Deaths during these Five Years.	PROPORTIONS.		DISEASES.
